About Jekyll Island

Jekyll Island is a barrier island on Georgia's coast – midway between Jacksonville, Fla. and Savannah, Ga. Accessible by car just minutes from I-95, Jekyll Island offers a variety of amenities, including 10 miles of beach, four golf courses, a 250-acre Historic Landmark District, water park, tennis center, an array of lodging options including hotels, cottages and campgrounds. Owned by the State of Georgia, and managed by the Jekyll Island State Park Authority, Jekyll Island has had development limited to just 35 percent of its available land area.
